Brad,

Following a review of the 23May2023 Brockton council meeting agenda, the Walkerton Capitals would like to express our support of Option #2 on report REC2023-21. Following a frustrating 2022/2023 season with several clock hiccups and failures, we are looking forward to a new reliable hybrid product that has the familiarity & ease of use of a traditional scoreboard with modern LED advertising options.

Thank you for your efforts in moving this project forward in preparation for the 2023/2024 hockey season.

Bryn Maus
Executive Manager
Walkerton Capitals Jr. C Hockey Club
