June 16, 2021

To Whom it may Concern:

Royal Canadian Legion Branch 102 Walkerton is endeavoring to start the Veteran Banner Program in Brockton. This program is a very visible way of commemorating our Veterans, that is well received by the Public. These Banners are very visible in most of the towns around us already, and they help to give a very favourable public opinion towards the town as a Sponsor.

We are asking Brockton to help sponsor this worthy project by the Town putting the Banners up before Thanksgiving and taking them down after Remembrance Day. The Banners will be made to fit the Brackets currently installed on your poles. I look forward to working with Brockton to get this long overdue project started. The Banners will only be of Veterans from our area and as a sponsor Brockton's logo will be on them with the Legion's logo.

Sincerely

Rick Clayfield
Past President
Walkerton Br. 102
