July 5, 2021

Brian Tocheri, CAO/Clerk
Town of Hanover

By email to: btocheri@hanover.ca

Dear Brian,

Thank you for your correspondence of June 14, 2021 advising of Hanover council and consultant team's decision regarding boundary adjustments into West Grey, specifically Area 1 and 2.

As a follow-up to West Grey's June 3, 2021 correspondence to Hanover advising that West Grey will be finalizing our project plan, West Grey council held a special council meeting on June 22, 2021. Staff direction resulting from that special council meeting is:

That council hereby directs staff to bring a report to the August 3, 2021 regular council meeting regarding hiring a planning consultant to investigate the Municipality of West Grey's growth management including boundary and growth and development matters.

Should council support retaining a planning consultant firm as part of our project plan, we will be issuing an RFP that will include consultation with all relevant and appropriate parties. The municipality remains committed to efficient timelines related to this matter and will advise of the decision of council accordingly.

Regards,

A handwritten signature in blue ink, appearing to read "Laura Johnston".
