

The Market Garden Fundraiser

Help The Market Garden move from a development plan on paper to a community gathering space that all members of the community can enjoy and to support the area businesses with event space!

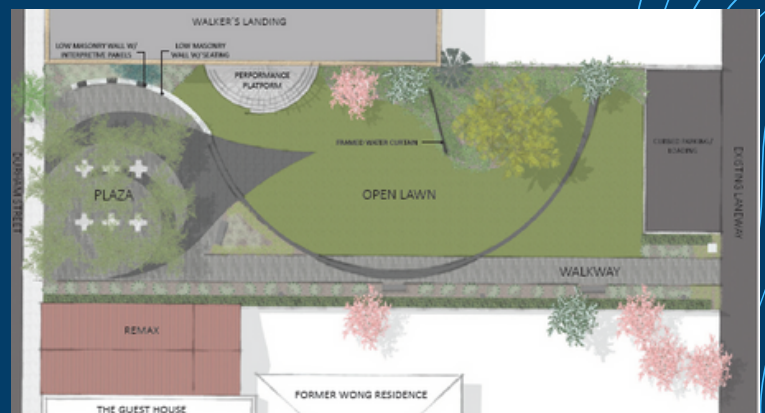

Goal:
\$100,000

What is The Market Garden?

The The Market Garden is centrally located downtown. This community space will feature a number of seating locations, performance platform and ample space for outdoor events for vendors.

The parkland was partially donated by the Wong Family, with the desire to create a downtown community hub that all members of the community and tourists can enjoy.

How can I participate?
