#### For first and second doses:

- All those 12+ years of age seeking a first or second dose may walk-in; no appointments necessary.
- All 5 – 11 year olds are asked to book an appointment due to the anticipated volume. Appointments can be booked using the Provincial booking system – online and via the telephone – which will open on Tuesday, November 23rd.

#### For third doses beginning November 6th, 2021:

- Eligible individuals will be able to book their booster dose appointment through the COVID-19 Vaccination Portal or by calling the Provincial Vaccine Contact Centre. If local clinics are not viewable on this date, they will be added in the coming days. You will not be able to get your 3rd dose without an appointment.

Please do not call the Health Unit to try to book your appointment.
