Subject: Letter to Brockton

Dec. 11, 2021

Brockton Council,

We are contacting you on behalf of the Cargill Lawn Bowling Club. We would like to thank you for your support in maintaining our greens this past year. This contributed to our efforts to survive as a club. We would further request the continuation of your support to allow us to continue our club in 2022 and beyond.

The Cargill Lawn Bowling Club provides exercise, socialization, and enjoyment for all participants. We have been serving the fitness and social needs of the community for 50+ years. Although we are mostly seniors, we encourage all ages to participate and are inclusive as our age range is 25 to 80+ with the majority aged 60+. We currently have 27 members and we anticipate increased membership when the COVID situation is resolved.

We respectfully request your support in the submission of grant applications to provide funding for much needed updating of our outdated equipment i.e., reel mower, roller, etc., as well as support for continuation of greens maintenance. The club will contribute \$2500 toward the 2022 cost.

The Cargill Lawn Bowling Club holds fundraising events to support the needs of our club throughout the year, and we would ask that rental fees for the Cargill Community Centre be waived.

The club appreciates the excellent assistance provided by the Brockton employees over the past year, and we would like to thank Mark Coleman for the invaluable support he has provided us.

Respectfully Submitted,

Cargill Lawn Bowling Club

Michelle Napper (president)

Linda Folmer (secretary)

Margaret Elliott-Niesen (treasurer)

Margaret Mason (fundraiser coordinator)
