Recommendation:

That the Council of the Municipality of Brockton hereby receives Report Number FIN2022-10 – 2021 Parkland Cash in Lieu, prepared by Trish Serratore, Chief Financial Officer for information purposes.

Report:

Background:

On July 1, 2016 changes to the *Planning Act, RSO 1990, c P.13* brought reporting requirements for a Treasurers Statement outlining the collection of and allocation of funds collected through Section 42 of the *Planning Act* (parkland dedication). The following excerpt from the *Planning Act* explains the reporting requirement under Section 42:

Treasurer's statement

(17) The treasurer of the municipality shall each year, on or before the date specified by the council, give the council a financial statement relating to the special account. 2015, c. 26, s. 28 (11).

Requirements

- (18) The statement shall include, for the preceding year,
- (a) statements of the opening and closing balances of the special account and of the transactions relating to the account;
 - (b) statements identifying,
 - (i) any land or machinery acquired during the year with funds from the special account,
 - (ii) any building erected, improved or repaired during the year with funds from the special account,
 - (iii) details of the amounts spent, and

- (iv) for each asset mentioned in subclauses (i) and (ii), the manner in which any capital cost not funded from the special account was or will be funded; and
- (c) any other information that is prescribed. 2015, c. 26, s. 28 (11).

Copy to Minister

(19) The treasurer shall give a copy of the statement to the Minister on request. 2015, c. 26, s. 28 (11).

Statement available to public

(20) The council shall ensure that the statement is made available to the public. 2015, c. 26, s. 28 (11).

Under Section 42 of the *Planning Act*, a municipality may require, as a condition of development, that land be conveyed to the municipality for park or other public recreational purposes. Alternatively, the council may require a payment in lieu, to the value of the land otherwise required to be conveyed. Those funds must be held in a special account (reserve fund), allocated interest and spent only for the acquisition of land to be used for park or other recreational purposes including the erection, improvement or repair of buildings and the acquisition of machinery.
