Recommendation:

That the Council of the Municipality of Brockton hereby receives Report Number UT2022-05 - February 2022 Water and Wastewater Operations and Maintenance and 2021 Annual Reports, prepared by Gregg Furtney, Director of Operations, for information purposes.

Report:

Background:

The following report summarizes operational data, maintenance activities and compliance issues identified during the Operating Month of February 2022.

Staff have also attached the Annual Reports for each water treatment facility, the Annual Audit Report for Wastewater Operations, and the three (3) inspection reports from the Ministry of Environment, Conservation, and Parks (MECP).

Analysis:

There were no compliance or regulatory issues in relation to the operations and / or maintenance of the Chepstow Water System, Lake Rosalind Water System or the Walkerton Water and Wastewater systems for the month of February 2022.

The Inspection Reports from the Ministry of Environment, Conservation, and Parks all came back with 100% ratings.

All reports will be uploaded to Brockton’s Municipal Website.

Thank you to Veolia Staff for their dedication and hard work keeping the drinking water, within the Municipality of Brockton, safe to drink and use.
