Subject: Highway 21 and Bruce Road 20 - Petition Initiated by Janet Dawson

Dear Ms. Hamilton,

Thank you for the letter on behalf of the Council of the Municipality of Brockton regarding the intersection of Highway 21 and Bruce Road 20.

Ministry staff are working with representatives from Bruce Power to develop short term and long range plans for intersection improvements at Highway 21 and Bruce Road 20. The proposed short term recommendations include changes to signing and pavement markings. The long term recommendations include consideration of a roundabout or a traffic signal at this intersection. Staff from the ministry and Bruce Power will be meeting in the near future to discuss recommendations and timelines in more detail.

If you have any questions, please do not hesitate to contact Robert Bakalarczyk, Head, Traffic Section directly at 519-873-4356 or Robert.Bakalarczyk@ontario.ca.

Sincerely,
