Dear Mayor + Brockton Councillors,

Chris Peabody - Mayor

Chris Oberle

Dan Gierasak

Dean Leifso

James Long

Kym Hutchison

Steve Adams

I am writing regarding the sale of cannabis in The Municipality of Brockton. Teenagers, young adolescents and adults will never get what they are longing for from alcohol, cannabis and other drugs. Only Jesus Christ can give them inner peace and joy.

PLEASE do not provide in any way outlets or stores in our area for cannabis.

Sorry I missed the online deadline - Dec. 20, 2018.

Thank you.

Sincerely,  
Doris Cowers.
