Dear Mayor & Brockton councillors:

I am writing, as a resident on concession 7, R.R 1 Chepstow, regarding the maintenance of our road, especially in the winter months. (Chepstow Rd. - to Chepstow, west of Chepstow to Bruce Rd. 20.)

This road is often icy, slippery, snow packed and dangerous. It is definitely a health and safety issue. When and how will you be responding to this major concern?

Sincerely  
Doris Powers
