### Recommendation:

That the Council of the Municipality of Brockton hereby receives Report Number PW2019-05 – Brant and Greenock Landfill Operational Hours Change, prepared by Jamie Morgan, Director of Operations and approves changing the operational hours at the Brant and Greenock Landfills to 8:00 a.m. to 4:00 p.m. to accommodate service needs at the sites.

### Report:

#### Background:

Landfill operators and staff have noticed an increase in residents attending the landfill prior to 9:00 a.m. to begin their day, waiting for entry to the landfill so they can carry on with other events occurring in their day. Often times after 4:00 p.m. there are limited to no residents attending the landfill.

#### Analysis:

Staff is recommending a change in operational hours at both the Brant Landfill as well as the Greenock Landfill to 8:00 a.m. to 4:00 p.m. for all consistent days of operation to better accommodate residents arriving early waiting on staff to open the landfill and eliminating the waiting time.

There will be no change in service hours, only the operational open to close hours. There will be extensive communications to promote this change.
