

The Corporation of the Municipality of Brockton - Council Meeting

Agenda Number: 7.4.
Number: 22-19-
Title: Application for Grants for Existing Arena Motion
Date: Tuesday, August 9, 2022

Moved By: _____
Seconded By: _____

Whereas the Corporation of the Municipality of Brockton promotes an active lifestyle and values recreational programming;

And Whereas continual improvements are necessary to ensure adequate user experience, accessibility, and efficiency to align with the growth of our community;

And Whereas a building condition assessment of the Walkerton Arena was conducted and reported on July 31, 2019 (“Pinchin Report”) which stated that: Regular maintenance should be conducted on the roof systems, wall systems, structural elements, interior finishes, Site features and the mechanical/electrical systems to ensure that the projected useful life (PUL) of the major components is realized.

And Whereas the assessment further did not reveal any visual evidence of major structural failures, soil erosion or differential settlement;

And Whereas the concept of a new Recreational Complex remains active in the initial planning, design, fundraising/grant opportunities phase;

And Whereas no decision of Council has been made to construct a new Recreational Complex;

And Whereas modest investment into building systems and facilities to ensure life extension is critical to the viability of having a recreational complex in Brockton;

Now Therefore Be It Resolved that the Council of the Municipality of Brockton hereby directs staff to make application for funding opportunities applicable to existing facilities to permit upgrading and refurbishment of their building systems, including the Walkerton Arena.
