Dear Mayor Peabody:

Thank you for taking the time to meet with me at the 2022 Association of Municipalities of Ontario (AMO) Conference on behalf of the Municipality of Brockton. It is a privilege to have had the opportunity to engage with the municipalities that help our province grow and prosper.

Our government knows that collaboration is the key to building strong, thriving communities. Each community has their own set of unique circumstances and we are committed to ensuring our health care system is tailored to meet those needs.

To that end, I was pleased to hear your feedback on access to respite care and the need to attract, recruit and retain health care workers.

I look forward to continuing our dialogue as we work together to build a stronger health care system that ensures all Ontarians have access to the care they need.

Sincerely,
