Dear Mayor :

On November 4, 2022, I made a Minister's Zoning Order in response to the request from Municipality of Brockton Council for lands legally described as Part of Park Lots 47 and 48, on Registered Plan 162, Part of Lots 32-35, Concession 1, North of Durham Road (Brant), Municipality of Brockton, County of Bruce.

[Ontario Regulation 515/22](#) accelerates the development of over 500 housing units, including apartments, townhouses, a retirement facility, and hospice, as well as a future employment area.

Our government values the unique role and contributions of Indigenous communities in land use planning and development, and we welcome their perspectives and traditional knowledge as part of an ongoing discussion, with our municipal partners, to support Ontario's sustainable and responsible growth.

To this end, I expect the Municipality of Brockton to engage with Indigenous communities through the development approvals process at the municipal level.

We are proud of the partnerships we have developed with local governments, and we will continue to work with them to utilize the tools we have provided to build more homes faster and address local challenges in their communities.

Please accept my best wishes.

Sincerely,

A handwritten signature in blue ink that reads 'Steve Clark'.
