**RE: Yonge Street Reconstruction**

Tenders were received on Tuesday, December 20, 2022 for the Yonge Street Reconstruction project, as summarized by the following table:

| <b>Tenderer</b>            | <b>Tendered Amount<br/>(incl 13% HST)</b> |
|----------------------------|---|
| Moorefield Excavating Ltd. | \$3,717,500.00                            |
| Omega Contractors Inc      | \$3,869,101.38                            |
| MacDonnell Excavating Ltd. | \$4,919,434.66                            |
| Kurtis Smith Excavating    | \$5,136,980.01                            |
| E.C. King Contracting      | \$5,457,665.13                            |

As the submissions were through Bids and Tenders, a mathematical check was performed for only the low bid. All tenders were properly signed and each was submitted with the specified tender deposit and Agreement to Bond. Two addenda were issued during the tendering period and all bidders acknowledged their receipt.

Since the lowest tender is acceptable contractually, and the tenderer is experienced in road reconstruction and infrastructure replacement projects, further analysis is limited to the lowest bid. We therefore recommend that this contract be awarded to Moorefield Excavating Ltd. for the total tender sum of \$3,717,500.00.

Please retain the tender deposit from both bidders until the contracts are formally signed.

Should you have any questions, please contact the undersigned.

Yours very truly,

**B. M. ROSS AND ASSOCIATES LIMITED**
