Subject: Elmwood sign
Date: Wednesday, February 22, 2023 4:59:31 PM

Hello! We are contacting the municipality today in hopes of obtaining fund's to repair our community sign. This sign was damaged in a wind storm and will cost \$4,500 to fix. It advertises community events and fundraisers for our chamber of Commerce. Post pandemic we are getting back on our financial feet slowly. We are starting to have in person wing nights and last fall we started out bingo. The years of the pandemic left its toll on us by limiting the amount of fundraising we were able to do and still able to fund community events, scholarships, Hospitals and food banks. This sign is integral to our fundraising efforts. We are asking for monetary assistance in the amount of \$1,500 towards the repair. The last estimate of the cost to fix this sign was \$4,500. The Chamber would put in \$1,500 and West Grey will donate \$1,500 contingent upon whether Brockton will match it. We are hoping for council to approve this request so we can have this very important piece of communication for the community fixed. Thank you for your consideration .

Shirley Young
Vice-president,
Elmwood Chamber of Commerce
