13.0 Evaluation

13.1 The Recipient recognizes that Canada is responsible for the evaluation of the Program named in this Agreement. The Recipient agrees to cooperate with Canada for the duration of the Project and within a period of three (3) years thereafter by providing access to the information required to carry out the evaluation.

14.0 Termination of Agreement

Termination for Default

14.1 (1) The following constitute Events of Default:

- (a) the Recipient becomes bankrupt, has a receiving order made against it, makes an assignment for the benefit of creditors, takes the benefit of a statute relating to bankrupt or insolvent debtors or an order is made or resolution passed for the winding up of the Recipient (section 14.1(1)(a) not applicable to municipalities or school boards);
- (b) the Recipient ceases to operate (section 14.1(1)(a) not applicable to municipalities or school boards);

- (e) in the opinion of Canada, the risk in the Recipient's ability to complete the Project has changed substantially and unfavorably.

(2) If

- (a) an Event of Default specified in paragraph (1)(a) or (b) occurs (section 14.1(1)(a) not applicable to municipalities or school boards); or
- (b) an Event of Default specified in paragraphs (1)(c), (d) or (e) occurs and has not been remedied within thirty (30) days of receipt by the Recipient of written notice of default or within such longer period as Canada may specify, or a plan satisfactory to Canada to remedy such Event of Default has not been put into place within such time period

Canada may terminate the Agreement immediately by written notice. Effective on that date, Canada has no more obligations to pay any remaining instalments of the grant as specified in the Agreement.

(3) Pursuant to paragraph 14.1 (2)(b), Canada may suspend payment of any further instalment of the grant under this Agreement.

(4) The fact that Canada refrains from exercising a remedy it is entitled to exercise under this Agreement shall not be considered to be a waiver of such right and, furthermore, partial or limited exercise of a right conferred upon Canada shall not prevent Canada in any way from later exercising any other right or remedy under this Agreement or other applicable law.

14.2 Either Parties may also terminate this Agreement at any time without cause upon not less than ninety (90) days written notice of intention to terminate.

15.0 Repayment Requirements

- (b) all eligible expenditures incurred by the Recipient up to the date of termination will be paid by Canada, including direct costs and incidentals related to the cancellation of obligations of the Recipient for the termination of the agreement; a payment or a reimbursement will be made under this paragraph only if it has been demonstrated to the satisfaction of Canada that the Recipient has actually incurred the expenses and they are reasonable and related to the termination of the agreement.

(2) If this Agreement is terminated by the Recipient in accordance with section 14.2, the latter shall reimburse Canada the unused grant funds in its possession or under its control within thirty (30) days.

15.2 Notwithstanding section 15.1, if the Agreement is terminated under section 14.1 by Canada because the Recipient uses the grant for a purpose or expenditures not agreed upon under this Agreement, Canada may in addition to the rights conferred upon it under this Agreement or in law or in equity, demand from the Recipient the repayment of the grant funds that were used by the Recipient for purposes other than the Project or used for costs that were not Eligible Expenditures.

15.3 If Canada demands the repayment of any part of the grant pursuant to section 15.1 or section 15.2, the amount demanded shall be deemed to be a debt due and owing to Canada and the Recipient shall pay the amount to Canada immediately unless Canada directs otherwise.

15.4 Interest shall be charged on overdue repayments owing under this Agreement in accordance with the *Interest and Administrative Charges Regulations (SOR/96-188)* (the "Regulations") made pursuant to the *Financial Administration Act (R.S.C., 1985, c. F-11)*. Interest is calculated and compounded monthly at the "average bank rate", within the meaning of such expression as contained in the Regulations, plus three per cent (3%) during the period beginning on the due date specified in the notice to repay and ending on the day before the day on which payment is received by Canada.

16.0 Indemnification

16.1 The Recipient shall, both during and following the Project Period, indemnify and save Canada harmless from and against all claims, losses, damages, costs, expenses and other actions made, sustained, brought, threatened to be brought or prosecuted, in any manner based upon, occasioned by or attributable to any injury or death of a person, or loss or damage to property caused or alleged to be caused by any wilful or negligent act, omission or delay on the part of the Recipient or its employees or agents in connection with anything purported to be or required to be provided by or done by the Recipient pursuant to this Agreement or done otherwise in connection with the implementation of the Project. 17.1 The management and supervision of the Project are the sole and absolute responsibility of the Recipient. The Recipient is not in any way authorized to make a promise, agreement or contract on behalf of Canada. This Agreement is a funding agreement only, not a contract obtaining services or a contract of service or employment. Canada's responsibility is limited to providing financial assistance to the Recipient in support of the Project. The parties hereto declare that nothing in this Agreement shall be construed as creating a partnership, an employer-employee, or agency relationship between them. The Recipient shall not represent itself as an agent, employee or partner of Canada.

17.2 Nothing in this Agreement creates any undertaking, commitment or obligation by Canada respecting additional or future funding of the Project beyond the Project Period, or that exceeds the amount of Canada's funding as indicated in the Agreement. Canada shall not be liable for any loan, capital lease or other long-term obligation which the Recipient may enter into in relation to carrying out its responsibilities under this Agreement or for any obligation incurred by the Recipient toward another party in relation to the Project.
