Walkerton, ON

Dear Council,

On behalf of the Walkerton Minor Hockey Association we would like to express our support for option #1 or #2 for the proposed score clock. The past two seasons there has been a lot of frustration with the current clock not working properly, this would cause delays in the game and frustration amongst the volunteers.

We have reviewed all of the options presented and feel that either of these options would be best for WMH. We strive to have fun, reliable and games for the youth within our community. Either of these options would allow our volunteers to continue to operate the time clock with minimal changes from prior year. To show our support, on May 25<sup>th</sup>, 2023, Walkerton Minor Hockey approved a donation to the Municipality in the amount of \$2,500 for the purchase of a new score clock, in support of option 1 or 2.

We would like to thank you for your consideration and replacing the current score clock. We look forward to the 2023/24 season.

Sincerely,

Steve Barrett  
WMHA - President
