Recommendation:

That the Council of the Municipality of Brockton hereby receives Report Number UT2023-08 – May 2023 Water and Wastewater Operations and Maintenance, prepared by Nicholas Schnurr, Director of Operations, for information purposes.

Report:

Background:

The following report summarizes operational data, maintenance activities, and compliance issues identified during the Operations Month of May 2023.

Analysis:

There were no compliance issues in relation to the operations and/ or maintenance of the Chepstow Water System, Lake Rosalind Water System, or the Walkerton Water and Wastewater systems for the month of May, 2023.

Also attached to the report, are Inspection Rating Reports (IRR), which come as a follow-up to the annual water system inspections, performed by MECP. For each of the water drinking systems, including Walkerton, Lake Rosalind and Chepstow, it should be noted that on all IRR's, Brockton received a final inspection rating of 100%.
