Subject: FW: Join Us for the Grand Launch of the Southwestern Ontario Isotope Coalition!

Area Clerks,

Please find an invitation attached for distribution to Mayors/Wardens and members of Council. Event organizers would like to invite both upper tier and lower tier elected officials from Bruce, Grey and Huron counties.

I do not have contact details for all Clerks within the three counties, and I'll ask for your help specifically, Tara and Susan, to distribute to your Clerk network within your region.

Thank you for your continued support. Questions regarding the event can be forwarded to Paul McGrath, City of Owen Sound. Paul is cc'd to this message.

RSVP details are listed below and within the attached invitation.

Thank you,

Jessica

We are thrilled to invite you to the official launch event of the Southwestern Ontario Isotope Coalition! This exciting initiative aims to bring together regional experts, innovators, and stakeholders in the field of isotope development to collaborate, innovate, and drive progress in our region.

Date: October 16, 2023

Time: 9:00 am – 11:30 am

Location: [BWXT, 1875 16th Ave. East, Owen Sound](#)

Agenda:

- **Welcome Reception:** Join us for refreshments and networking opportunities as we kick off this momentous occasion.
- **Opening Remarks:** Hear from our distinguished guests about the significance of isotope development in Southwestern Ontario.
- **Introduction to the Coalition:** Learn more about the mission, goals, and vision of the Southwestern Ontario Isotope Coalition.
- **Keynote:** James Scongack, Chair of the Canadian Nuclear Isotopes Council (CNIC).
- **Panel Discussion:** Local lens on what Isotope development means for our region.

RSVP: Please confirm your attendance by **October 11th** by clicking soicevent.eventbrite.com We look forward to your presence and to collectively driving progress in the isotope industry.

Sincerely,

Paul McGrath
