Municipal Alcohol Management Policy

Department:	Community Services	Policy Number:	R05-1100-14
Section:	Parks and Recreation	Effective Date:	2000
Subject:	Municipal Alcohol Management Policy	Revised Date:	July 2014, March 7, 2023, April 25, 2023, September 26, 2023
Authority:	By-Law 2014-064; By-Law 2023-027; By-Law 2023-051; By-Law 2023-097		

1. Policy Statement

The Municipality of Brockton owns and operates facilities where alcohol consumption is not permitted and other facilities where alcohol consumption is permitted under the authority of a Special Occasion Permit (SOP). The Municipality of Brockton has developed a Municipal Alcohol Management-Policy in order to prevent problems that arise from alcohol consumption at Municipal owned facilities that allow for the responsible consumption of alcohol, for the protection of property and promotes a safe, enjoyable experience for those who use these facilities.

Problems can arise from alcohol consumption which can affect not only those who consume alcohol but also patrons who use Municipal facilities. These problems include:

- Vandalism and destruction of Municipal property
- Police being called to municipal property
- Injuries to drinker or other individuals
- Liability action arising from alcohol related injuries or deaths
- Increased insurance rates as a result of alcohol related incidents
- Loss of insurability should the insurer's risk assessment escalate
- Charges laid against the Municipality or the Special Occasion Permit holder(s) under the liquor License Act/Regulations
- Suspension or loss of Alcohol Permit privileges by the Alcohol and Gaming Commission of Ontario (AGCO)
- Loss of employment by non-drinkers and moderate drinkers
- Complaints lodged by offended parties
- Withdrawal from use of facilities by people concerned about alcohol consumption
- Loss of revenue due to reduced participation
- Increased public concern about alcohol consumption

In many instances, these problems will not be attributed to moderate drinkers or to those who respect the rules regarding alcohol consumption. The majority of these problems arise from drinkers who engage in six specific drinking practices.

- Drinking to intoxication
- Drinking and driving
- Underage drinking
- Drinking in prohibited areas
- Over service by Special Occasion Permit Holder; and
- Special Occasion Permit Holder promoting immoderate consumption

Minimizing or reducing these six drinking practices will limit or reduce the number of alcohol related problems we may encounter. The policy is not intended to stand in opposition to the legal and moderate consumption of alcohol.

2. Scope

The Municipality of Brockton's Community Services; Parks and Recreation Department is responsible for ensuring this policy is applied fairly, promptly and consistently. Additionally, the Department will review the Municipal Alcohol Management Policy with Legislative Services to ensure it adheres to current regulations found in the Liquor License Act.

- To ensure proper supervision and proper operation of licensed events in order to protect the organizers, the participating public, volunteers, the municipality and its staff from liability by providing education in prevention and intervention techniques and through effective management procedures.

Checking Identification (ID)

View the [Alcohol and Gaming Commission of Ontario \(AGCO\) Checking ID Tip Sheet](#).

In order to be valid, identification must:

- Have been issued by a government;
- Be current (expired ID is not valid);
- Include the person's photograph; and
- Include the person's birth date.

Note: By law, no one can be required to produce their Ontario Health Card, nor can their health number be collected.

Some forms of acceptable ID include:

- Ontario Driver's License
- LCBO BYID card
- Canadian Armed Forces Identification Card
- Photo card issued under the Photo Card Act
- Canadian Citizenship Card with photograph
- Canadian Passport
- Permanent Resident Card (Canadian)
- Secure Indian Status Card (Canadian)

Tips for Checking ID

- Ensure you are in a well-lit area
- Take your time and examine the ID closely - check the photo, date of birth and the expiry date
- Never accept ID without a photo. Hold the ID in your hands, rather than allowing the patron to flash it at you. If it is in any sort of case, take it out.
- Feel for extra thickness around the photo and the edge of the lamination. This may be an indication of a second photograph placed on top of the original and re-laminated.

Effective January 1, 2013, a new identifier on Ontario driver's licenses and photo ID cards issued to individuals aged 16 to 18 will clearly show when the cardholder turns 19. The cards will have an "Age 19" banner followed by the exact date the card holder turns 19.

Low Risk Alcohol Drinking Guidelines and Standard Drink Sizes

View [Canada Low Risk Alcohol Drinking Guidelines Brochure](#).

One serving of alcohol contains 13.6 grams of pure alcohol. Since the alcohol content varies from beverage to beverage, the size of a standard drink will be different for each type of beverage depending on its alcohol content.

1 standard drink equals:

- 341 ml (12 oz.) of 5% alcohol content (beer, cider or cooler)
- 142 ml (5 oz.) of wine with 12% alcohol content
- 43 ml (1.5 oz.) serving of 40% distilled alcohol content (such as rum, rye, gin or vodka)

Safer Drinking Tips

- Drink slowly. Have no more than 2 drinks in any 3 hours
- For every alcoholic drink, have one non-alcoholic drink. This is called a 'spacer' drink
- Eat before and while you're drinking alcohol
- Always consider your weight, age, body weight and health problems that might suggest lower limits

Drinking is a personal choice, and most people drink responsibly most of the time. These guidelines are intended to help people make smart choices about their alcohol consumption to reduce their risk of disease and injuries associated with alcohol consumption:

- Women: no more than 2 drinks per day, 10 drinks per week
- Men: no more than 3 drinks per day, 15 drinks per week
- Plan at least 2 non-drinking days per week to avoid developing a habit
- Reduce your risk by drinking no more than 3 drinks for women and 4 drinks for men on any single occasion.

Do not drink when you are:

- Driving a vehicle or using machinery and tools
- Taking medicine or other drugs that interact with alcohol
- Doing any kind of dangerous physical activity
- Living with mental or physical health problems
- Living with alcohol dependence
- Pregnant or planning to be pregnant
- Responsible for the safety of others
- Making important decisions
