Subject: Support for 80th Anniversary of VE-Day student tri

Hello,

My name is Nathan Troyer. I am a history teacher at Walkerton District Community School. I am in the early stages of organizing a trip for students at WDCS to attend events in the Netherlands commemorating the 80th anniversary of its liberation by Canadian forces during the Second World War. I have attached a copy of the itinerary for you to see the amazing learning opportunity this trip would provide the students. The trip would run from May 1-9, 2025. We would be participating in special events in the area of Bergen Op Zoom May 4th and 5th to celebrate the end of the war in Europe 80 years ago.

Other highlights on our planned trip include a visit to the UNESCO World Heritage windmills in the Netherlands, touring Anne Frank's home/museum, a visit and tour of Vimy Ridge, and sightseeing in Paris which includes a stop at the Louvre museum which is the home of Leonardo da Vinci's famous Mona Lisa painting.

I am hoping to make this trip as accessible as possible to all students in our school. The total cost of the trip is in the range of \$4600/student. We will be breaking the total cost down into 15 monthly payment to make it more manageable. I am hoping to have around 18-24 students participate in the trip.

Would you be willing to consider sponsoring a student that has financial need, or make a donation to the overall cost of the trip so that it is more accessible to everyone?

If you are willing to support this trip, we would share your name and/or logo on our school social media, as well as on our digital sign at the school. We are also considering making shirts for students to wear during the trip. If we do this, we could also put your name and/or logo on the shirt as a thank you for your support.

If you are not able to consider supporting this trip at this time, please let me know, and I thank you for your time and consideration.
