

January 23, 2024

The Bruce County and Grey County Federations of Agriculture feel it is important to take time to provide our elected Municipal, Provincial and Federal government representatives with constructive input from grassroots organizations. We would like to enhance communication between the agricultural industry and all levels of government so we might create a better understanding of issues creating barriers to successful rural communities and profitable farming families.

**We would like to cordially invite you to our  
16<sup>th</sup> Annual Politicians Meeting on Saturday March 23<sup>rd</sup> from 10am to 3pm  
(Location Elmwood Community Centre)  
Lunch will be provided.**

***We hope you will consider this a priority in your busy schedule.***

Several commodity groups will be invited to participate by providing a brief and then speaking to a portion of their brief during the day. All briefs will be compiled into a portfolio and we will endeavor to provide a copy to you at least one week in advance of the meeting for your review.

The comments over the past few years have truly been encouraging as the meeting is educational for everyone with open, non-confrontational dialogue. We would be very pleased if you could attend and request a **response by March 8th.**

Sincerely,

*Keith Reid*, President  
Grey County Federation of Agriculture

*Chris Cossitt*, President
