Subject: U 10 nets request

Hello Brad,

Walkerton Football Club (WFC) would like to request a set of nets to serve our Under 10 division.

WFC currently only has one set of nets for the Under 10 division and will require a second set to serve game nights, as there normally is two Under 10 games occurring at the same time.

The size of the nets WFC requires are 6' x 16'.

WFC is prepared to make a donation for the amount of \$5,000 to Brockton to be put towards the payment of the nets.

If you require anything more please do not hesitate to contact myself or any of the other WFC executive members.

Thank you for your time and efforts in helping us make minor soccer a thriving part of this community.

Thanks,
Dominic Paquette
WFC Equipment Manager
