

# We Invite You to Be Our Guide

## Bruce County is engaging the community to create a new vision for our future.

October 23<sup>rd</sup>, 2018

Dear Stakeholder,

We recognise your organization's important role in the Bruce County community, and are writing to you today to invite you to provide feedback that will help shape the future of Bruce County.

The County is in the process of creating a long-term vision to guide the next 20 years of growth and development. This visioning process is called Bruce GPS, a guide to the future of Bruce County. Bruce GPS will address the social, physical, economic, environmental, health and well-being needs and goals of our communities to help shape the future of Bruce County.

The County is committed to meaningful community engagement throughout the Bruce GPS process and wants to hear from residents, visitors, businesses, community groups, and other key stakeholders to help collaboratively create a vision for our future.

As a stakeholder organization in the Bruce County community, we would like to invite ONE to TWO members of your organization to attend ONE of four stakeholder meetings (see list, below).

1. Thurs. Oct 25 /7p-9p / Port Elgin - The Plex (Rotary Hall)
2. Thurs. Nov 1 /7p-9p / Kincardine - Davidson Centre
3. Sat. Nov 3 /2p-4p / Wiarton - Wiarton Arena & Community Centre
4. Thurs. Nov 8 /7p-9p / Walkerton - Walkerton Agricultural Society Hall

Please RSVP to ONE of the above meetings by [clicking HERE](#).

If you cannot attend any of the above meetings, but would still like to provide feedback, your organization can:

1. Call or email us (contact information below) to receive a set of questions you can respond to through email/mail. These questions will mirror those that will be discussed in the stakeholder meetings.

# We Invite You to Be Our Guide

2. Call or email us (contact information below) to set up a time for a telephone interview. The questions asked during the interview will mirror those that will be discussed in the stakeholder meetings.

To RSVP for a stakeholder telephone interview or to provide feedback by e-mail, please call or email 888-881-2401 or [BruceGPS@brucecounty.on.ca](mailto:BruceGPS@brucecounty.on.ca).

If you would like to engage with your own community before attending a stakeholder meeting or providing feedback, we have developed a [Do-It-Yourself Workshop Guide](#) that you can use to collect your community's feedback.

This stakeholder engagement is just one part of a larger community engagement process that will inform the development of the Bruce GPS User Guide. For more information about the project, including information about broader public engagement initiatives, please visit [www.BruceGPS.ca](http://www.BruceGPS.ca). You can also follow us on Twitter, Facebook and Instagram @BruceGPS

Thank you for your time and for your organization's role in Bruce County community life. We look forward to hearing from you.

Best,

Bruce GPS Project Team
