Good morning and happy new year!

I am following up with a reminder and invitation to Brockton council and staff to attend the Kinsmen and Kinette Anniversary Celebration on March 1st.

We would be honoured to have Mayor Peabody bring greetings and present a scroll, as well as have all staff and council who would like to join us.

The deadline for ticket purchase is February 19, 2025.

If this invite/details could also be added to the public notifications on an agenda before the cutoff date again, that would be much appreciated.

Yours in Kin,

**Steve Travale**
