

Greenock Swamp Tours
and
Margaret's Mercantile
2024 Update

1) First and Foremost!

**Where Did We
Begin?
The Old
Hardware Store**

2024 Review Quick Points

* Unfortunately, we had a late start -
no buildings available

* We purchased a small building to
host Margaret's Mercantile - but
didn't get started until July

3) The BBQ was also available. Both Margaret's Mercantile and the BBQ were located on the corner of Main Street and the Greenock/Brant Townline

4) The Greenock Swamp Tours – positive feedback – feast or famine!

Greenock Swamp Tours

5) Assisted with the Cargill Homecoming

6) Dinner Over the Yokasippi River

- As volunteers, we contributed over 1,000 hours in Cargill to 'Help Bring History Alive'!
- Entertained and served over 600 people between tours, the dinner, BBQ and the store (not counting train rides during Homecoming)
- Sold locally made goods for over 35 vendors

Changes in the wind!

- Our base for the tours is no longer available –
Chepstow Church
- The Bradley School House is next.

Our asks!

- Would the municipality help with the costs of insurance once again this year?
- Would the municipality consider working together with us again for the Dinner Over the Yokasippi River, re: road closures, permits, etc.

THE END

Once again.....
