As such, the Employer agrees to promptly notify Canada should a change in the Employer's organizational status render it no longer eligible under the eligibility criteria of the Program or should a change in Project activities result in the Project no longer qualifying for funding under the Program.

17.1 The hiring, management, supervision and control of the Project are the sole and absolute responsibility of the Employer. The Employer is not in any way authorized to make a promise, agreement or contract on behalf of Canada. This Agreement is a funding agreement only, not a contract for services or a contract of service or employment. Canada's responsibility is limited to providing financial assistance to the Employer towards the eligible costs. The Parties hereto declare that nothing in this Agreement shall be construed as creating a partnership, an employer-employee, or agency relationship between them. The Employer shall not represent itself as an agent, employee or partner of Canada.

17.2 Nothing in this Agreement creates any undertaking, commitment or obligation by Canada respecting additional or future funding of the Project beyond the Funding

Period, or that exceeds the maximum contribution specified in the document "Calculation of Approved Canada Summer Jobs Contribution Amount". Canada shall not be liable for any loan, capital lease or other long-term obligation which the Employer may enter into in relation to carrying out its responsibilities under this Agreement or for any obligation incurred by the Employer toward another party in relation to the Project.

18.0 Indemnification

20.0 Nepotism

20.1 No cost incurred by the Employer in relation to a Participant who was hired as a result of nepotism, that is, a member of the Immediate Family of the Employer or who is a member of the Immediate Family of an officer or director of the Employer is eligible for reimbursement under the Agreement. If Canada is satisfied and agrees in writing before the commencement of the Job that the hiring of the Participant was not the result of favouritism by reason of membership in the Immediate Family of the Employer, officer or director, as the case may be, the costs may be eligible for reimbursement.

The books of account and records must include all invoices, receipts and vouchers relating to the expenditures incurred and revenues made in relation to this Agreement, including funding for the Job(s) received from other sources.

21.2 During the course of this Agreement and for a period of six years thereafter, the Employer must make the books of accounts and records available at all reasonable times for inspection and audit by representatives of Canada to ensure compliance with the terms and conditions of this Agreement and verify costs claimed by the Employer under this Agreement. The Employer must permit representatives of Canada to take copies and extracts from such books and records and must furnish them with such additional information as they may require with reference to them.

21.3 In the event that financial irregularities are discovered, Canada may verify information with the Canada Revenue Agency.

22.0 Inquiry by the Auditor General of Canada

22.1 If, during the Funding Period or within a period of six years thereafter, the Auditor General of Canada, in relation to an inquiry conducted under subsection 7.1(1) of the *Auditor General Act* (R.S.C., 1985, c. A-17), requests that the Employer provides Canada with any records, documents or other information pertaining to the utilization of the funding provided under this Agreement, the Employer must provide the records, documents or other information within such period of time as may be reasonably requested in writing by the Auditor General of Canada.

Without limiting the generality of the foregoing, if requested by Canada to do so for the purpose of conducting an evaluation, the Employer agrees to:

- a. participate in any questionnaire, interview, case study or other data collection exercise initiated by Canada. This includes a mandatory questionnaire that will be administered at the end of the program year. The Employer agrees to complete this questionnaire and submit to Canada as part of the final reporting process; and,
- b. subject to section 23.2, provide Canada with the contact information of Project partners, if any, who participated in the Project by offering financial or in-kind support, and of the members of the board of directors of the Employer.

23.2 The Employer must provide Canada with the contact information of a person (name, address, phone number and e-mail address) referred to in section 23.1 (b) only if the person has given their written consent to the release of the information to Canada. The Employer agrees to make all reasonable efforts to secure such consent during the Funding Period. When providing a person's contact information to Canada, the Employer must provide Canada with an accompanying written statement certifying that the person has given their consent to the sharing of their contact information with Canada.

24.0 Disposition of Capital Assets

24.1 The Employer must preserve any capital asset purchased by the Employer with the contribution and use them for the purposes of carrying out the Job(s) outlined in the Application/Agreement and must not dispose of it unless Canada authorizes its disposition.

24.2 At the end of the Funding Period, or upon termination of this Agreement, if earlier, and if directed to do so by Canada, any assets referred to in section 24.1 costing \$1,000 (before taxes) or more that have been preserved by the Employer shall be:

- a. sold at fair market value and that the funds realized from such sale be applied to the eligible costs under this Agreement to offset Canada's contribution;

- d. the Employer is in breach of or non-compliant with any provision of this Agreement;
- e. the Employer, in support of its application for Canada's contribution or in connection with this Agreement, has made materially false or misleading representations, statements or declarations, or provided materially false or misleading information to Canada;
- f. the Employer has changed the tasks and responsibilities of the Participant(s), as described on the Application/Agreement, without Canada's prior approval; or
- g. the Employer is in breach of the provisions of Sections 12, 13, 14, 15 or 16.

(2) If:

- a. an Event of Default specified in paragraphs (1)(a), (b), (c) or (g) occurs; or,
- b. an Event of Default specified in paragraphs (1)(d), (e) or (f) occurs and has not been remedied within fifteen (15) calendar days of receipt by the Employer of written notice of default or a plan satisfactory to Canada to remedy such Event of Default has not been put into place within such time period,

Canada may, in addition to any remedies otherwise available, immediately terminate the Agreement by written notice. Upon providing such notice of termination, Canada shall have no obligation to make any further contribution to the Employer.

(3) In the event Canada gives the Employer written notice of default pursuant to paragraph (2)(b), Canada may suspend or revoke any further payment under this Agreement until the end of the period given to the Employer to remedy the Event of Default.

(4) If an Event of Default specified in paragraph 1(d) occurs, the Employer shall have seven (7) calendar days following receipt of written notice of default to provide Canada with written representations, which will be considered by Canada in its decision as to whether to terminate this Agreement. Further to consideration of these representations, or the failure to provide written representations within the required deadlines, Canada will make a final determination as to whether to terminate the Agreement and will notify the Employer in writing of said decision. If Canada decides to terminate the Agreement, written notice of termination will be provided to the Employer.

(5) Further to the process set out in paragraph 4, in the event that Canada provides written notice of termination to the Employer, Canada shall no longer have an obligation

to make any further financial contributions to the Employer or if no financial contributions have been made to date, Canada will have no obligation to make such a financial contribution to the Employer.

(6) If this Agreement is terminated for an Event of Default specified in paragraph 1(d), this Event of Default will be taken into consideration by Canada in the assessment of any subsequent applications for funding by the Employer under the Canada Summer Jobs program, or any replacement or successor programs, for the next two years, and any such applications may be rejected by Canada on the basis of this Event of Default.

(7) If this Agreement is terminated for an Event of Default under this section, the Employer will repay Canada in accordance with section 27 of this Agreement, promptly and by no later than thirty (30) calendar days from the date of Canada's notice of termination.

(8) The fact that Canada refrains from exercising a remedy it is entitled to exercise under this Agreement shall not be considered to be a waiver of such right and, furthermore, partial or limited exercise of a right conferred upon Canada shall not prevent Canada in any way from later exercising any other right or remedy under this Agreement or other applicable law.

Termination for Convenience

25.2 Canada may also terminate this Agreement at any time without cause upon not less than fifteen (15) calendar days written notice of intention to terminate.

Obligations Relating to Termination and Minimizing Cancellation Costs

25.3 In the event of a termination notice under section 25.2 being given by Canada:

- b. all eligible costs incurred by the Employer up to the date of termination will be paid by Canada, including the Employer's costs of, and incidental to, the cancellation of obligations incurred by it as a consequence of the termination of the Agreement; provided always that payment and reimbursement under this paragraph shall only be made to the extent that it is established to the satisfaction of Canada that the costs mentioned herein were actually incurred by the Employer and the same are reasonable and properly attributable to the termination of the Agreement.

25.4 The Employer must negotiate all contracts related to the Project, including employment contracts with staff, on terms that will enable the Employer to cancel same upon conditions and terms that will minimize to the extent possible their

cancellation costs in the event of a termination of this Agreement. The Employer must cooperate with Canada and do everything reasonably within its power at all times to minimize and reduce the amount of Canada's obligations under section 25.3 in the event of a termination of this Agreement.

26.0 Interest Earned on Advances of the Contribution

26.1 Any interest earned on advances of Canada's contribution must be accounted for by the Employer. Such interest shall be deemed to be part payment of the contribution and must be used or applied to offset Canada's contribution in respect of the eligible costs under this Agreement.

27.0 Repayment Requirements

27.1 Upon expiry or termination of this Agreement, if earlier, the Employer must immediately repay to Canada any amount by which the contribution paid to the Employer, together with any interest earned thereon, exceeds the amount to which the Employer is entitled under the Agreement. Without limiting the generality of the foregoing, amounts to which the Employer is not entitled include:

- a. the amount of any unspent advance payments of the contribution remaining with the Employer;
- b. amounts paid in error or in excess of the amount of costs actually incurred; and,
- c. amounts paid in respect of costs which are determined by Canada to be ineligible.

Such amounts are debts due to Canada.

30.0 Informing Canadians of the Government of Canada's Funding

30.1 The Employer must allow Canada sixty (60) calendar days from the date of signature of the Agreement to make a Public Announcement of the Project and to inform Participants (youth). The Parties will collaborate for the first public announcement of the Project, including all communication, event or ceremony used to promote the Project. The time, place and agenda for such communication activities must be appropriate for Canada.

30.2 The Employer must notify Canada twenty (20) calendar days in advance of any initial and subsequent Public Announcements related to the Project. To enable Canada's participation, the Employer must cooperate with representatives of Canada during any Public Announcement of the Project. If Canada chooses to participate in a Public Announcement with the Employer, Canada reserves the right to review and approve the time, place, communications products, and agenda of the ceremony.

30.3 The Employer must ensure recognition of the financial contribution of Canada is acknowledged in terms and in a form and manner satisfactory to Canada in any and all Public Announcements, Paid Advertising and public communications (including but not limited to websites, publications, press releases, presentations, reports, expositions and project signage) regarding the Project or the funding of the Project.
