Title: Notice of Motion - Automatic Speed Enforcement Machines

Date:

Moved By: Kym Hutcheon

Seconded By: _____

Whereas the Municipality of Brockton have a number of Community Safety Zones within our Municipality, with plans to increase the number of Community Safety Zones in the future;

And Whereas residents within the Municipality of Brockton have voiced concerns regarding speeding in the community over a number of years and as a result traffic calming devices have been purchased in previous years in attempts to mitigate this concern, as well as working with the South Bruce O.P.P. Detachment to encourage residents to report calls for service surrounding this issue;

And Whereas the former Brockton Police Services Board purchased traffic calming devices, including the Black Cat Radar, to aid in speeding enforcement within the Municipality of Brockton;

And Whereas the Brockton Police Services Board have now been amalgamated into the South Bruce O.P.P. Detachment Board, such that the previous equipment used by the Brockton PSB is no longer sufficient for the Municipality's needs;

And Whereas Global Traffic Group have approached the Municipality of Brockton regarding an opportunity to install automatic traffic enforcement machines within the community through a cost-free agreement;

Now Therefore Be It Resolved That the Council of the Municipality of Brockton direct staff to prepare a report on Global Traffic Group's proposal for further consideration.
