**Subject:** Have your say on the Bruce C Nuclear Project! Comments invited on the draft Integrated Tailored Impact Statement Guidelines and the draft Public Participation Plan by July 11, 2025

Hello,

You are receiving this email as a participant in the integrated assessment of the proposed Bruce C Nuclear Project (the Project), located in the Municipality of Kincardine, Ontario.

On December 20, 2024, the Impact Assessment Agency of Canada (IAAC) issued its [decision](#) that an impact assessment is required for the Project proposed by Bruce Power (the proponent). This assessment will be an integrated assessment conducted in collaboration with the Canadian Nuclear Safety Commission (CNSC), which [has been referred](#) to an independent review panel.

On June 12, 2025, the Impact Assessment Agency of Canada (IAAC) issued a [Notice of Time Limit Resumption](#), to inform participants that the 180-day time limit for the Planning phase of the impact assessment for the proposed Bruce C Nuclear Project has resumed as of June 12, 2025.

As part of the Planning phase in the integrated assessment process, we now invite you to review and provide comments on the following draft documents:

- the draft [Integrated Tailored Impact Statement Guidelines](#) (draft Integrated Guidelines); and
- the draft [Public Participation Plan](#).

The draft Integrated Guidelines outline the specific factors to be considered in the assessment of the Project and provide direction to the proponent on the studies and information required in its Impact Statement.

The draft Public Participation Plan explains how the public will be engaged throughout the review process and provides details on how and when public participation opportunities will take place for each phase of the integrated assessment.

### **How can I participate?**

Submit your comments online in either official language **by 11:59 PM PST on July 11, 2025**, using the [Submit a Comment](#) feature. Participants who wish to provide their input in a different format can contact IAAC by writing to [bruce@iaac-aeic.gc.ca](mailto:bruce@iaac-aeic.gc.ca) or by phone at 613-222-3507. All comments received will be published online as part of the project file.

### **Information Sessions**

IAAC and the CNSC invites Indigenous Peoples and the public to attend an information session to learn more about the Project, the integrated assessment process, and how to submit comments on the draft documents.
