What Matters to You? Bruce County Encourages Your Feedback on Budget

Bruce County, Ontario: Bruce County is inviting residents, business owners and community stakeholders to help shape the County's 2026 Budget by participating in a short survey.

The County Budget guides the future of our communities and shapes the services, programs and infrastructure you rely on every day. From roads to economic development and long-term care. It's more than just numbers; it's a reflection of our shared priorities.

"Our annual budget shapes the services and infrastructure that matter most to our community. We want to hear directly from residents about their priorities and ideas," says Bruce County Warden Luke Charbonneau. "This survey is your opportunity to help guide our decisions and ensure we're investing in what matters to you."

Be part of the process. Together, we can identify shared priorities and build a stronger Bruce County.

The online survey is anonymous and takes just a few minutes to complete.
