Dear Elmwood Community Centre Board,

On behalf of the Elmwood Homecoming Committee 2024, we are pleased to inform you that your organization has been selected to receive a donation from the proceeds of the **2024 Elmwood Homecoming** celebration.

Our multi-day event was a great success thanks to the support of our incredible community and the outstanding work by our dedicated committee members and volunteers. As part of our commitment to giving back, we are honoured to recognize organizations like the Elmwood Community Centre Board that make a lasting impact in Elmwood. The Elmwood Homecoming Committee discussed where we would like the money to be used and have come up with the following guideline for your association:

- Lions Park pavilion repair (within reason if able to be fixed)
- Community Centre ball diamond repairs and maintenance including; fencing, grounds, bleachers etc.
- Fountain for the pond at the Community Centre (aesthetically pleasing and improve pond health)

- Flower beds and landscaping
- Picnic tables or benches if needed at the Community Centre or Lions Park
- Remaining money to be put towards capital projects such as pickleball or basketball court at the lions park.

We would like to formally present your organization with a cheque and invite you to join members of our committee for a brief **cheque presentation** and photo opportunity. This is a chance to acknowledge your important work, and dedication to Elmwood. Please contact me to arrange a night this week that would work for you after 6pm. Our homecoming committee had also talked about that if for some reason the Elmwood Community Centre Board were to no longer be a committee that the remaining donation from the Elmwood homecoming 2024 would than be given to the Elmwood Firefighters association or to Brockton to use in our community.

We look forward to hearing from you and supporting the important work you do in our community.

Thank you,

Matt Stangler and Kerri Schuknecht

Elmwood Homecoming Committee Co-Chairs
