

The green ribbon is an international symbol to show support for organ donation and transplantation.

As a leading transplant program in Canada, the Multi-Organ Transplant Program at London Health Sciences Centre is proud that the London region has one of the highest donation rates in the country.

Dear Sarah:

A Big Thankyou to you
& Brockton Council for the
on going support in
Organ Donation Awareness.
Currently Ontario has
over 1600 now waiting for
the gift of life.
awareness and Education
in Organ Donation is the
key factor.

A big thank you to you & Brockton Council for the ongoing support in organ
donation awareness. Currently Ontario has over 1600 now waiting for the gift of
life. Awareness and education in organ donation is the key factor.
