5. Public Meetings Required Under the Planning Act

5.1 Planning Report - Hinsperger and Fritz Construction Services Inc. - Zoning By-Law Amendment - Z-33-18.31

Councillor Lang again declared a conflict of interest in relation to item 5.1 as he had a personal relationship with a Shareholder of the property owner.

John Ghent, Bruce County Planner, explained that the property had been the subject of an Official Plan amendment that was previously approved by the County of Bruce. The Official Plan for the site was amended to allow for industrial expansion and Mr. Ghent confirmed that the purpose of the current application

was to change the zoning from general agricultural to an industrial use. An archeological assessment would be required due to the proximity to the Teeswater River.

According to Mr. Ghent, the owner of the subject property, Fritz Construction Services Inc. employed approximately seventy (70) employees and had been operating a concrete business at the site for approximately forty (40) years. Fritz Construction Services Inc. was undertaking a major expansion of the building and purchasing new equipment.

John Ghent confirmed that the capacity of the plant was doubling, with increased activity outside, and that there was two residential properties adjacent to the site with no buffer area in between. As a result, John Ghent recommended that Council approve the Application with the requirement that the Applicant complete a noise study.

One of the Shareholders of Fritz Construction Services Inc. was in attendance at the meeting and was invited by Council to speak. The Shareholder informed Council that some of the new equipment was being purchased to assist in minimizing the existing noise, and also confirmed that the two adjacent residential properties had been owned by the same families, who were very supportive of the expansion, for over one hundred years. As a result, the position of Fritz Construction Service Inc. was that a noise study was not required.

Council discussed whether a noise study was required and confirmed with John Ghent that a noise study could cost around \$5,000.00. Council then decided to approve the Application to amend the Zoning By-law but to delete the requirement for a noise study.

Resolution 19-03-07

Moved By: Dan Gieruszak

Seconded By: Chris Oberle

That the Municipality of Brockton approve the proposed Zoning By-law Amendment submitted by Hinsperger and Fritz Construction Services Inc., File: Z-33-18.31 to rezone 2.5 ha of land which will facilitate the expansion of the existing industrial use, with the amendment that condition 3(c) of the By-Law requiring a noise study be deleted.

7. Business Arising From the Minutes

1. Walkerton Courthouse Meeting

Sonya Watson, Chief Administrative Officer, confirmed that a meeting with the County of Bruce had been scheduled to discuss the Walkerton Courthouse Building, but unfortunately the meeting was delayed due to the weather.

2. Meeting with the Minister of Community Safety and Correctional Service

Mayor Peabody confirmed that he had met with the Minister of Community Safety and Correction Services to discuss the ongoing cost implications of the Walkerton Courthouse building.

3. Concession 14 East, Brant

Councillor Adams noted that he had received a number of phone calls about the state of Concession 14 East, Brant, as well as other roads in the Municipality of Brockton and confirmed the need to consider the roads need study in the budget deliberations.

7.1 Motion to Direct Staff to Seek Cost Proposals for Policing and Discuss a County-Wide Police Service

Councillor Oberle explained that he brought the Motion to direct staff to explore whether an adjacent municipally owned service would be interested in submitting a proposal for policing in Brockton and the possibility of a Bruce County wide police service because he had received complaints that the Ontario Provincial Police had not met all community safety concerns. Councillor Oberle also wanted to ensure that the needs of the community were being met in the most fiscally responsible manner, particularly when the contract with the Ontario Provincial Police was due to be renegotiated prior to June 2019.

The remaining Members of Council recognized that given the overall portion of the budget dedicated to providing police services it was important to ensure proper financial accountability for the public, however many confirmed that they believed the Municipality of Brockton was receiving quality service from the Ontario Provincial Police. It was noted that there was a new Inspector and Detachment Commander and that the detachment was located in Walkerton.

Council also discussed the significant staff time that would be required to obtain these proposals and the time involved in developing a proposal (and how the other incremental services such a dive units, etc. could be arranged) in light of the fact that the existing contract would need to be renegotiated prior to June of 2019. Council then discussed the possibility of a county-wide police service and Mayor Peabody mentioned that he would continue to pursue policing at the county level and also noted that the policing costs in the Municipality of Brockton were considerably lower than the municipalities with municipally owned police services.

Resolution 19-03-09

Moved By: Chris Oberle

Seconded By: Dan Gieruszek

Whereas the Municipality of Brockton is legislated to provide police services pursuant to section 4(1) of the *Police Services Act*, R.S.O. 1990, c. P.15;

And Whereas the current agreement between the Municipality of Brockton and the Ontario Provincial Police for the provision of police services will expire on June 30, 2019;

And Whereas the Council of the Municipality of Brockton strives to achieve accountability regarding policing costs in the Municipality of Brockton;

Now Therefore the Council of the Municipality of Brockton does hereby direct staff to investigate potential options for a jointly owned municipal police service prior to June 30, 2019;

And Further that the Council of the Municipality of Brockton hereby directs staff to seek proposals from West Grey Police Service, Hanover Police Service, and Saugeen Shores Police Service for providing police services for the Municipality of Brockton;
