Re: Support for Advocacy for Increased Income Support Thresholds for Canadian Veterans

To the Respective Parties,

I am writing to express our strong support for the call on the Government of Canada and all federal parties to increase the eligibility threshold for the Income Replacement Benefit (IRB) program from \$20,000 to no less than \$40,000 annually for a single-person household. Our Council also urges Veterans Affairs Canada to review all income support programs with the intent to modernize eligibility criteria in line with the current cost of living across Canada.

The Township of Perry recognizes the selfless service and enduring sacrifices made by Canadian Armed Forces veterans in the defence of our country and values.

The 2021 Census, conducted by Statistics Canada, identified more than 460,000 veterans residing across Canada, a significant population segment deserving of comprehensive, accessible, and modernized federal support. Veterans Affairs Canada (VAC) currently administers income support programs to assist veterans in need, including the Income Replacement Benefit (IRB) program. The eligibility threshold for the Income Replacement Benefit (IRB) program which was created in 2019 – set at \$20,000 annually for a single-person household – fails to reflect today's economic reality, particularly in light of inflation, soaring housing costs, and the general increase in cost of living. Such low eligibility thresholds may disincentivize employment and community participation by penalizing veterans for earning beyond an outdated benchmark, thereby discouraging reintegration and contribution to civic life. It is the duty of all levels of government to stand in unified support of our veterans and to advocate for policy changes that enable them to live with dignity and financial stability.

We respectfully encourage your governments to move forward with the increase of the eligibility threshold for the Income Replacement Benefit (IRB) and to review the income support programs available to our Canadian Veterans.

Sincerely,
