

NOTICE

RESIDENTIAL CLEAN-UP PASS

A clean-up pass will be available, free of charge, for each residential property/roll number that is provided with garbage collection (i.e. residential properties with not more than five units).

The **PROPERTY OWNER** may obtain their pass at the Municipal Office. The pass entitles property owners to deposit the following items, up to a maximum weight of 200 kg, at the Hanover/Walkerton Landfill Site:

- brush and tree trimmings over 2" diameter
- small articles of refuse, including scrap metal

Applicable fees will be charged for loads exceeding 200 kg, and for the following items regardless of weight.

- appliances, water heaters, tires, spring mattresses
- construction materials including roofing and drywall
- residential garbage
