Personal Statement of Qualification for Consideration of Brockton Council

To Mayor Chris Peabody, Brockton Councillors & staff.

My name is Cynthia Steadman (Cindy)

Please accept my statement of interest.

I was raised locally just south of Walkerton in rural Mildmay on a small farm. I have lived in Walkerton several times in my lifetime.

I attended high school in Walkerton -the former Walkerton District Secondary School.

My first move to Walkerton was in 1996 after my first college diploma.

I held residency from 1996-2000, in 2014-2016, rural Walkerton 2016-2020, back to Walkerton until late 2021. I now reside on the borderline of former Brant township east of Walkerton where I have lived in a granny suite for over a year now; I absolutely love it as I am very close to the ripples of the Saugeen river, fresh air & quick access to both Walkerton & Hanover.

I believe my personal, employment and life experience have prepared me for this opportunity.

I have vast career experience from all avenues in life from Agricultural, manufacturing, customer service, media, care assistant & now social services. I have a broad understanding of budgets, planning, brainstorming and fundraising as I have been an active volunteer and board member my entire life.

My first career was in Radio Broadcasting where I was employed locally as a swing announcer at CKNX radio. Some of my other careers were in management, client assistance and Community Service work. I have for profit & non profit experience. I graduated my second diploma as a single mom in my 30's as a Community Service Worker. Since then I have accomplished my Certified Reflexology Diploma to provide holistic assistance & Pastoral Diploma which allows me to serve others in Chaplaincy and I am a local Marriage Officiant.

I have been serving as a board director of the Neustadt Normanby Carrick Agricultural Society and a director of Grey Bruce Crimestoppers Committee. I'm an active volunteer with Neustadt Lions and in the past served as an Advocate with Victim Services Grey Bruce.

I have served on several committees over the years as director & president including the church board and the condominium board where I lived in the past in Sarnia.

I am considering becoming a Legion member in 2026 as I recognize our younger generation does not properly acknowledge veteran service.

I currently manage the Hanover Salvation Army Foodbank & Family Services department. My position at the Salvation Army allows an open awareness of consistent needs in our local communities. I have experiences that have allowed a broad understanding of life, parenting, home & community.

I am also a person with a disability who comprehends barriers and challenges beyond the everyday life struggles of residents in our community.

I am responsible for good stewardship of finances and donation allotments, along with community networking and volunteer management. As a Foodbank worker I act with empathy and equity service to clients. Networking is very important in a small community like Walkerton/Brockton. Strength is in community, collaboration, partnerships and carefully planned growth.

If I am given the opportunity to serve as a councillor, I intend to listen to the needs of the community and act in the best interest of the residents. I will act with empathy, understanding and good stewardship to continue to build Brockton even stronger.

The community of Brockton is 'where you come home to community'.

Brockton has been resilient through many community events, challenges and also tragedies and we stand united because we value our neighbours, homes, Hospital & Health team, businesses, indoor & outdoor facilities and our Agricultural foot print.

Brockton really is an amazing foot print in the County of Bruce.

Thank you for your valuable time.

Best Regards,

Cindy Steadman
