**Recommendation:**

That the Council of the Municipality of Brockton hereby receives Report Number PW2019-19- Marl Lake Streetlight Request, prepared by John Strader, Roads Supervisor and further directs staff on installation of a streetlight at this location.

**Report:**

**Background:**

An inquiry about the possibility of a streetlight to be installed at the corner of Lake Rosalind Road 4 and Marl Lake Road for visibility/safety reasons has been brought forward to a councillor.

**Analysis:**

Staff have reviewed the area and currently there are no hydro poles that are suitable to install just the illumination portion. It is approximately \$30,000 to install a hydro pole and fixture after all permits are obtained. A more feasible option is a solar power light which is approximately \$10,000.

We seek Council’s direction on this matter.
