Subject: Join Brockton, Hanover and CPIA: Launching of Walkerton Polystyrene Densifier - May 31, 2019

Join us for the
**Launch of Recycling
Polystyrene Densifier**
Walkerton, Ontario

Fri. May 31, 2019

1:30 - 2:30 pm EST

**Brockton Recycling Centre,
320 Kincardine Highway, Walkerton**

[Click here to RSVP](#)

The Municipalities of Brockton and Hanover and the Canadian Plastics Industry Association (CPIA) invite you to join us at an event to welcome back polystyrene recycling in our municipalities.

Through a partnership with CPIA and Bruce Power, we are now able to **collect polystyrene** once again for recycling and to process it for efficient shipping to end markets using polystyrene densification technology.

At full operation this will increase recycling **diversion of polystyrene by up to 90%** and reduce demand on landfill space.

Master of Ceremonies:

Bruce Davidson, Chair of the Brockton Environmental Advisory Committee

Special Guest Speakers:

- **Chris Peabody**, Mayor of Brockton
- Representative from Bruce Power
- **Carol Hochu**, President and CEO, Canadian Plastics Industry Association

Invited guests:

Representatives of surrounding municipalities, community representatives and recycling supporters.

We are delighted to invite you to join us for:

- Demonstrations of Polystyrene Densifier
- Light refreshments
