

Municipality of Brockton Planning Report

Application: Zoning By-law Amendment
File Number: Z-19-19.31
Date: June 4, 2019

To: Mayor and Council Members, Municipality of Brockton

From: Dana Kieffer, Planner for the Municipality of Brockton

Subject: Application by **Sandy Ridge Ranch Co. c/o Larry Frieburger** to sever a residence surplus to a farming operation and rezone the lands to facilitate the new lot

Recommendation:

That the Municipality of Brockton Council **APPROVE** the proposed Zoning By-law Amendment submitted by Sandy Ridge Ranch Co. c/o Larry Frieburger File: Z-19-19.31 and pass the site-specific By-law attached.

Reasons for and Nature of the Application:

The purpose of the application is to create a 'surplus farm dwelling lot' by way of consent and to rezone the retained farm lot.

Location & Site Description:

The site is located at 2016 Concession 4 Greenock. The farmstead consists of a dwelling barn and shed located close to the road.

Proposal:

Consent application (File B-17-19.31):

- The area of the property is 40 ha. (100 ac.)
- The retained lands are proposed to be 39.98 ha. (98.78 ac.)
- The severed lot with the existing dwelling and barn would be .49 ha. (1.22 ac.)
- The related consent application will include a condition that the septic system for the house will be located wholly on the severed lot.

Zoning amendment application:

- The severed lands, on which the dwelling and farmstead is located, would be zoned from General Agriculture A1 to General Agriculture Special (A1-102). This zone will recognize any deficient setbacks resulting from the severance and place a nutrient unit restriction on the property.
- The retained farm lands will be zoned from A1- General Agriculture to A1-1 General Agriculture Special. A dwelling is not permitted on the retained farm lands.
- There is no new development proposed as part of this application.

Summary:

The proposal to amend the zoning that applies to the land is consistent with the Provincial Policy Statement and conforms to the Official Plan.

Staff recommend that this application be approved.

Agency Circulation:

Brockton: no comments from the Clerk or CBO.

Historic Saugeen Metis: no objection or concerns

SVCA: The proposal is acceptable to the SVCA.

Public Comments:

At the time of preparation of this report, no comments had been received from the Public.

Provincial Interests, Policy Statements or Plans

Under Section 3(5) of the *Planning Act*, the Township "shall be consistent with" matters of provincial interest as set out in the Provincial Policy Statements (PPS).

In the PPS lot creation in 'prime agricultural areas' is to be discouraged and only permitted for agricultural uses, infrastructure, agriculture-related uses and *a residence surplus to a farming operation*. A severance is permitted provided that it is the result of farm consolidation, the new lot is limited in size and that residential dwellings are prohibited on the remnant parcel.

Comment:

The farmed lands will remain in the ownership of Sandy Ridge Ranch Co. Limited who own and farm several other lands throughout Bruce County.

The proposed zoning by-law amendment is consistent with Provincial Policy.

The PPS policies are reviewed in Appendix 2.

Bruce County Official Plan

The subject lands are designated Agricultural Area and Hazard in the Bruce County Official Plan. The consent policies permit a severance for the creation of a lot for an existing dwelling and buildings surplus to a farming operation as a result of a farm consolidation. To meet the policies, the owner of the farm lands must be a 'bona fide farmer'.

For the purposes of this policy, the 'bona fide farmer' must:

- a) own and farm the lands on which the surplus dwelling is proposed to be severed;
- b) own and farm other lands; and,
- c) own a residence elsewhere, or reside as a tenant elsewhere, therefore rendering the residence on the subject farm surplus to their needs.

A 'bona fide farmer' is defined as to include a limited company, sole proprietorship, incorporated company, numbered company, partnership, non-profit and other similar ownership forms.

The Official Plan requires that the lot proposed for the residence and buildings surplus to the farming operation is to be limited in area and shall only be of sufficient size to accommodate the residence surplus to the farming operation, accessory buildings (where including accessory buildings does not render the lot excessively large in the opinion of the Land Division

Committee), a well and a sewage disposal system, while ensuring that as little land as possible is removed from the agricultural lands.

Comment:

The owner is a full-time farmer and the proposed severance is the result of a farm consolidation. The owner lives and farms in the immediate area. The severed portion is relatively small with no land taken out of active agricultural production.

The proposed zoning amendment conforms with the provisions of the Official Plan.

Brockton Comprehensive Zoning By-law 2013-26

The subject lands are currently zoned A1 – General Agriculture and EP-Environmental Protection.

The severed lot (residential land) will be zoned General Agriculture Special A1-102, which will:

- Limit the number of nutrient units on the severed parcel to 1.25 units per ha
- Recognize any buildings that do not meet the setbacks of the by-law.

The retained lands will be zoned General Agriculture Special A1-1, which will not permit a residential dwelling.

The Environmental Protection- EP lands will remain unchanged.

Conclusion:

The lands are designated Agricultural Area and Hazard Area in the Bruce County Official Plan. The creation of a new lot that would encompass a 'surplus farm dwelling' is permitted in this designation provided that future dwellings are prohibited on the retained farm lot and that both the severed and retained lots are of an appropriate size for their intended use.

No active farm land is taken out of production.

The application is consistent with the Provincial Policy Statement and conforms with the Bruce County Official Plan. Planning staff recommend the application be approved.

Draft Zoning By-law Amendment The Corporation of the Municipality of Brockton By-Law No. 2019-~~xxx~~

Being a By-Law to Amend the Municipality of Brockton Comprehensive Zoning By-Law No. 2013-26, As Amended,

The Council of the Corporation of the Municipality of Brockton pursuant to Section 34 of the Planning Act, 1990, therefore enacts as follows:

1. That Schedule 'A' to By-Law No. 2013-26, as amended, is hereby further amended by changing the zoning symbol on Lot 8, Concession 15, geographic Township of Greenock, Municipality of Brockton, from General Agriculture (A1) to:
 - a) General Agriculture Special (A1-1) and
 - b) General Agriculture Special (A1-102)as shown on Schedule 'A' attached hereto and forming a part of this By-law.
2. That By-law No. 2013-26, as amended, is hereby further amended by adding the following subsection to Section 6.3 thereof:
 - a) The lands zoned as 'A1-102' on Schedule 'A' to this By-law shall be used in compliance with the 'A1' (Non-Farm Lot) zone provisions contained in this By-law, excepting however:
 - i. The number of nutrient units shall be limited to 1.24 units per hectare;
 - ii. Buildings and structures existing as of May 25, 2019 which do not comply with the provisions of this By-law are hereby recognized. All future buildings and structures, or additions to existing buildings and structures, shall comply with the provisions of this By-law.
3. That this By-law shall come into force and effect on the final passing thereof by the Council of the Municipality of Brockton, subject to compliance with the provisions of the Planning Act, R.S.O. 1990.

Read, Enacted, Signed and Sealed this _____ day of _____ 2019.
