PO Box 68
Walkerton ON N0G 2V0

Dear Mayor Peabody:

It was a pleasure to attend this year's Rural Ontario Municipal Association (ROMA) Annual Conference and to meet with you and the Municipality of Brockton delegation.

Thank you for your participation in the Energy Roundtable. It was a valuable experience for me and I appreciated the opportunity to discuss energy issues with rural municipal leaders and learn more about the specific concerns in their communities.

Our government is committed to ensuring the energy electricity system is operated in a way that respects the ratepayer and puts the public interest first. This includes reducing energy costs, driving efficiency and restoring the public's faith in the sector.

Once again, thank you for meeting with me at ROMA 2019. Please accept my best wishes and I look forward to working with you and your local MPP Lisa Thompson in the future.

Sincerely,

The Honourable Greg Rickford
Minister of Energy, Northern Development and Mines
