Circulation decreased at the Walkerton Library Branch, and increased at the Cargill Library Branch throughout the month of April 2019.

2. On April 23, 2019, the Southern Library Service (SOLS) terminated the Inter Library Loan Service due to a 50% cut in their budget. The Interlibrary Loan Service (ILL) was a service that provided books to our patrons that we did not have in our collection. We could borrow books for our patrons from other libraries in Ontario, as well we would lend books to other libraries.

This service was very popular in Bruce County, as we ‘borrowed’ almost 5925 items from other libraries and we lent out 3915 items in 2018 to other libraries. The committee are to contact the M.P.P. or Minister of Tourism, Culture and Sport to make a formal complaint about this budget cut.

In April the Walkerton Branch started, a Beginners Sewing Club with help from volunteer children learned the basics of hand sewing. Each week they leaned a new stitch and they took home a project they made. This program turned out to be very popular and we have 9 children register for this afterschool program.

Tracey visited Walkerton District Community School’s grade nine-math class with the Ozobots. Ozobots are small robots that use sensors to follow lines and read Color Codes you make with markers. There are many different codes to choose from - Speed, Direction, Cool Moves codes, and more. The students enjoyed working and playing with the Ozobots.

The committee were in favour of keeping the policy broad and open-ended regarding the types of donations and artefacts that would be accepted. However, the committee felt that it was important to define proper categories of donations.
The committee were not in favour of creating a sizing guidelines for accepted donations since artefact sizing varies.

The committee felt that the acceptance of donations should be at the discretion of the committee.

The committee discussed the destruction process. The committee were in favour of inquiring with the Bruce County Museum and Archives to see if the Museum is interested in the donations before the items are destroyed.

Ted, Denise and Tracey will sit down to review the donation policy.

Ted inquired about the Municipality of Brockton’s process of record management through the Clerk Department, and would like the process more defined in the policy.

The committee inquired if Walkerton Herald Times artefacts were still being stored in the Greenock Works Shop. Brockton’s Parks, Recreation and Facilities Manager will inquire about this matter.

Ted, Denise and Tracey will sit down to review the donation policy. Due to summer vacations, this agenda item will be tabled until September 2019.

10.3  **Walkerton Downtown Photo Murals**

Ted asked committee members to look at buildings in Walkerton that would be the appropriate size to hold photo murals.

The mural on the Collins Barrow building is roughly 6ft by 8ft in comparison.

The committee discussed where the murals could be displayed, including the Post Office and Bell Canada Building.

Committee members are to contact the owners of the building to inquire if the owners are willing to display murals on their buildings.

The Brockton Heritage Committee will work with the Community Improvement Committee on this project. This project must be instituted by 2020 in time for Walkerton Homecoming 2021.

10.4  **Armoury Building**

- **Lease Agreement with G.R.O.W rooted in love Maternity Home**
- **Heritage Designation of Armoury Building**

Brockton’s Parks, Recreation and Facilities Manager reported that Bobbi-Jo Moran plans to open the maternity home in August.

The committee discussed an incident of children climbing onto the roof of the Armoury Building.

Ted reminded the committee that Brockton’s Clerk is drafting a report to Council on the process of heritage designations that will be completed for May or June 2019.

Councillor Leifso reported that Council inquired at the April 23, 2019 Meeting on why the Brockton Heritage Committee were wanting to designate the Armoury Building, and confirmed that this project is not related to the G.R.O.W. lease of the building.

Ted will write the letter to the Walkerton BIA.

11.4 Scotty’s Mural Removal
Alishia Oberle informed the Committee Secretary that the mural on the side of Scotty’s in Walkerton was removed at the request of the owner and Walkerton BIA. Alishia provided the Secretary with an invoice for the cost of removal. The invoice is from Hawkins Electrical Contracting Ltd. in the amount of $395.50.

The BIA are inquiring if the Heritage Committee or Community Improvement Committee would pay the invoice.

The Community Improvement Committee and Heritage Committee will need to decide where the mural is to be re-installed. There will also be a quote for re-installation. The committee suggested that the Canada Packers Building could possibly fit the mural from Scotty’s.

The committee decided to write a letter to the Walkerton BIA stating that they are not interested in paying the invoice for the mural removal since the cost was not included in the Heritage Budget.

The mural will need to be reinstalled, so the committee have added it to the list of their photo mural project.

The committee discussed that the painted mural from Scotty’s does not fit with their theme of historic photograph murals.
