RE: Scotty's Mural Removal

At Brockton Heritage Committee's Meeting on May 6, 2019, the committee discussed the removal of the mural on the former Scotty's property in downtown Walkerton.

Unfortunately, the Brockton Heritage Committee are not interested in paying the invoice for the removal of the mural since this cost was not included in the committee's 2019 Budget and since the Brockton Heritage Committee was not involved in the removal of the mural.

The Brockton Heritage Committee will provide suggestions about possible locations for the mural to be re-installed in conjunction with the Community Improvement Committee.

Regards,

Edward Cobean
Chairman, Brockton Heritage Committee
