Recommendation:
That the Council of the Municipality of Brockton hereby receives Report Number PW2019-34 - Moving Bridge 11 to Bruce County Heritage Farm, prepared by Gregory Furtney, Director of Operations, for information purposes.

Report:

Background:
On June 4, 2019, GM BluePlan issued a Municipal Class Environmental Assessment Schedule ‘B’ Notice of Completion after Brockton Resolution 19-12-07 was passed authorizing the removal of Bridge 11, Greenock at the Brockton Council Meeting on Tuesday, May 28, 2019.

Recently, a member of Brockton Municipal Council suggested that staff look into the option of moving the bridge to the Bruce County Heritage Farm for preservation.

Analysis:
Municipal staff discussed the option of moving Bridge 11 to the Bruce County Heritage Farm with the Bruce County Heritage Association. On August 8, 2019, staff received correspondence from the President of the Bruce County Heritage Association indicating that the Association Members had met to discuss this project but had decided that it was not a good fit for what they were doing at the farm. They kindly declined.

Previous to this decision by the Bruce County Heritage Association, staff discussed this option with GM BluePlan Engineering Limited and they estimated that to move the bridge to the Bruce County Heritage Farm would likely cost an additional $63,200.

Staff will work with GM BluePlan Engineering Limited to continue with the original option, as per Brockton Resolution 19-12-07, estimated at $275,400.
