Subject: Enforcement for Safety on Family Farms

Hi Chris,

The Township of Warwick in Lambton County adopted the attached resolution following a delegation from Lambton Federation of Agriculture. As you can see in the second attached document many municipalities and townships are supporting Warwick's resolution, including some from Bruce County. I would love to see all municipalities in Bruce County supporting this resolution including Brockton. I received this list on Monday before spending the week in Woodstock at the farms show so I'm sure there are updates that aren't listed. Maybe even Brockton?

If you would like some further information I would be happy to provide that. Below is the link to the livestream of the delegation to Warwick.

From the members I spoke to at the Farm Show this past week this was the top issue right now. Hope to see Brockton on this list very soon.

Thanks,

720 Bay Street  
11<sup>th</sup> Floor  
Toronto, ON M7A 2S9

Dear Honourable Sir:

**Re: Resolution Regarding Enforcement for Safety on Family Farms**

Please be advised that Warwick Township Council adopted the following resolution at their regular meeting on June 17, 2019:

***WHEREAS agriculture is the second largest industry in Ontario, contributing \$13.7 billion annually to Ontario's GDP and is essential for putting food on the tables of millions of people here and around the world;***

***AND WHEREAS in recent months there has been a steady increase in harassment of farmers and livestock transporters by activists opposed to animal agriculture and the consumption of animals;***

***AND WHEREAS the protests have become blatantly illegal in nature with extremist groups trespassing onto private property, unlawfully entering into buildings and removing animals without fear of prosecution and even promoting and publishing their crimes on social media;***

***AND WHEREAS maintaining proper biosecurity is essential to ensure the health and well-being of the animals cared for on these agricultural operations;***

***AND WHEREAS the recent attacks on farmers homes and businesses have resulted in no criminal charges laid, leaving farmers feeling unprotected by the Ontario legal system and afraid for the welfare of themselves, their families, their employees and the animals they care for;***

***NOW THEREFORE BE IT RESOLVED THAT the Council for the Corporation of the Township of Warwick requests that Hon. Doug Downey work with his fellow MPP's and agricultural leaders to find a better way forward to ensure stronger enforcement of existing laws - or new legislation - to ensure the safety of Ontario's farm families, employees and animals;***

**AND BE IT FURTHER RESOLVED THAT this motion be circulated to Hon. Doug Downey, Ministry of the Attorney General, Hon. Doug Ford, Premier of Ontario, Hon. Sylvia Jones, Solicitor General and Hon. Ernie Hardeman, Minister of Agriculture, Food and Rural Affairs and all Municipalities in the Province of Ontario, AMO, and ROMA.**

**- Carried.**

Yours truly,

Amanda Gubbels  
Administrator/Clerk
