Subject: Premiers to Develop Nuclear Reactor Technology

Dear Honourable Doug Ford,

Please be advised that at the Regular Meeting of Council held October 9th, 2019, Council for the Corporation of the Town of Deep River passed the following resolution:

BE IT RESOLVED THAT the CBC News report entitled "**Group of premiers band together to develop nuclear reactor technology**", be received, and

WHEREAS the Premiers of Ontario, Saskatchewan and New Brunswick have announced their intention to work together on the development of small modular reactors to help their provinces reduce carbon emissions and address the challenges of climate change;

WHEREAS Canada has demonstrated excellence and leadership in the nuclear industry on the world stage for more than 70 years;

WHEREAS the Canadian nuclear industry is one of the safest and most well-regulated energy sectors in the world under the oversight of the Canadian Nuclear Safety Commission;

WHEREAS the citizens of Ontario have enjoyed the benefits of safe, clean, low-carbon energy produced by Ontario's nuclear industry for over 50 years;

WHEREAS small modular reactors have the potential to provide municipalities, especially rural and northern municipalities, with an innovative technology that provides a safe, low-carbon alternative to meet energy demands; therefore,

BE IT RESOLVED the Town of Deep River write to the Premiers of Ontario, Saskatchewan and New Brunswick to express support for their decision to work together on the development of small modular reactor technology as a safe, low-carbon energy option;

THAT the Town of Deep River write to the Prime Minister of Canada, Minister of Natural Resources, and the remaining provincial premiers asking that they support investment in the research and development of small modular reactor technology as an innovative, safe, low-carbon energy option; and

THAT this resolution be circulated to all upper and lower-tier municipalities in Ontario, and the Federation of Canadian Municipalities, for their consideration.
