To The Council of the Municipality of Brockton:

I am writing at the behest of the Victoria Jubilee Hall Committee, to request permission to make a brief (5 minute) presentation to Brockton Council at their January 21st meeting.

At that time we would wish to thank Council for their increased funding this past year, offer a quick summary of what has been accomplished, and outline our projects for the ensuing year.

We will also request a continuation of the funding, \$10,000, as granted last year.

Sincerely,

Bob McCulloch
