Personal Statement of Qualification – Tim Elphick Brockton Councillor Vacancy

The picturesque landscape and cheerful community of Brockton has been my lifelong home. From my early days growing up on a farm in Eden Grove, to becoming a home owner in Walkerton, and now proudly raising a family, I understand the importance and value of progress and well-being in our community.

My decade of work history as a public servant for the Province of Ontario highlights my personal values of being fair, transparent, inclusive, and socially and fiscally accountable. My experience demonstrates the importance for continuous improvement to best serve the citizens of Brockton. My role required strict time-management, judgement, and decision making skills to best optimize public resources in the delivery of our justice system. Additionally, I was directly involved in several high-level projects, including representing front-line employees in contract negotiations, engaging in senior labour relations activities, and co-leading the provincial review of the courtroom staffing model. I now actively support public sector employees in a professional capacity with employment related matters.

I am dedicated to advocating and improving the livelihood of our residents. I have spent time volunteering and serving in various capacities throughout the Municipality. Most recently I was a committee chairperson for Walkerton homecoming and am now excitedly serving on the steering committee for the upcoming Walkerton 150 celebration.

Brockton has a bright future. There is prosperous growth and development on the horizon with expanding enterprises, and more importantly, opportunities for Brockton to attract and retain new residents and commerce. I stand to promote our local economy and jobs in our community for all persons, especially for our area youth.

As part of a young family, I know first-hand the services that are desired by those looking to call our beautiful community 'home'. I want to contribute my leadership capabilities to

ensure Brockton remains a vibrant community of choice and that we progressively enhance our infrastructure to best meet the needs of residents today – and into the future. My balanced and responsible approach will add value to many decisions that our municipal sector will face in the years ahead. It is important that we as a Municipality are responsive to the requirements of ratepayers to continue making our communities a great place to live and thrive.

Thank you for your consideration and I look forward to serving the residents of Brockton!
