Attention  
Fiona Hamilton, Clerk  
Municipality of Brockton

Dear Madam:

I am submitting my Declaration of Qualification to you for the position of Brockton Councilor. My wife Eleanor and I have lived in Walkerton for 35 years and recently retired.

Over the past 37 years I have worked for many different municipalities including Brockton. I have a strong interest in Water/Waste Water Treatment and Municipal Infrastructure. I personally feel that a properly maintained infrastructure system is vital to the growth of the municipality.

I believe with my 37 years of experience working for various municipalities and government agencies I would make me a good fit for this position. I have spent much of my career as a supervisor and a great deal of time was spent dealing with the general public and their enquires.

Please contact me at the above address or cell phone number if you have further questions.

Yours truly,

*John Fruin*
